## TVC Offers Expanded Safety Products and Technical Support

TVC Communications, a Division of WESCO Distribution, Inc., can supply all of your safety requirements for your facilities, headends, trucks and field use. TVC now features over 16,000 safety SKUs and dedicated OSHA experience technicians.

TVC's new safety solution suite includes:

- Personal Protective Equipment
- First Aid Products
- Facilities Safety Products
- General Safety Products
- Technical Support

Ask your local TVC representative for more information on how to keep your operation running safely and compliant.
